Management's Responsibility for the Financial Statements

The accompanying financial statements of Cape Breton-Victoria Regional School Board are the responsibility of management and have been approved by the Board of Directors.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the financial statements.

The Board meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report.

The external auditors, MGM & Associates, Chartered Accountants, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of Cape Breton-Victoria Regional School Board and meet when required.

INDEPENDENT AUDITORS' REPORT

To the Chairperson and Board Members
Cape Breton-Victoria Regional School Board

We have audited the accompanying financial statements of Cape Breton-Victoria Regional School Board which comprise the statement of financial position as at March 31, 2015 and the statements of operations, accumulated operating surplus, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of Cape Breton-Victoria Regional School Board as at March 31, 2015 and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

CAPE BRETON-VICTORIA REGIONAL SCHOOL BOARD

Notes to Financial Statements

Year ended March 31, 2015

The Cape Breton-Victoria Regional School Board is incorporated under the provisions of the Education Act of the Province of Nova Scotia and its principal business activity is operating a regional school system serving the Cape Breton Regional Municipality and the Municipality of the County of Victoria. The Board is registered as a charitable organization under the Income Tax Act and, therefore, is exempt from income tax and may issue official receipts to donors for income tax purposes.

1. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

These financial statements are prepared in accordance with Canadian generally accepted accounting principles for the public sector which, for purposes of the School Board's financial statements, are represented by accounting recommendations of the Public Sector Accounting Board (PSAB) of the CPA Handbook, supplemented where appropriate by other CPA Canada accounting standards or pronouncements.

These financial statements have been prepared using the following significant accounting policies:

(a) Revenues

Revenues are recognized on an accrual basis. Grants received, donations and fees collected in advance of the provision or use of related services are deferred. The main components of revenue are funding from the Province of Nova Scotia, Government of Canada and Municipal contributions.

Each year, contributions by volunteers support the delivery of certain programs within schools. Due to the difficulty in determining or otherwise estimating the value of these contributions and because these services are not otherwise purchased, contributed services are not quantified and recognized in these financial statements.

(b) Expenses

Expenses are recorded on an accrual basis and include the cost of supply inventories purchased during the year. Provisions are made for contingent liabilities when it is likely that a liability exists and the amount can be reasonably determined. These provisions are updated as estimates are revised.

(c) Financial assets

Cash and cash equivalents are recorded at cost which approximates market value.

Accounts receivable are recorded at the principal amount less valuation allowance. These allowances are recorded where collectability is considered doubtful.

CAPE BRETON-VICTORIA REGIONAL SCHOOL BOARD

Notes to Financial Statements

Year ended March 31, 2015

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(d) Financial liabilities

Teachers' salary and benefit costs are accrued at year end. As directed by the Province of Nova Scotia, an offsetting receivable is recorded from the Province. The annual accrual and offsetting receivable are adjusted as required.

Salaries, vacation pay and benefits of non-teaching employees are also accrued at year end. There is no equivalent offsetting receivable from the Province except for vacation pay.

(e) Net financial assets

Net financial assets represents the financial assets less direct financial liabilities of the School Board.

(f) Non-financial assets

Tangible capital assets have useful lives extending beyond the accounting period, are held for use in the production or supply of goods and services and are not intended for sale in the ordinary course of operations. Tangible capital assets are recorded at gross historical cost (or estimated cost when the actual cost is unknown) and include all costs directly attributable to the acquisition, construction, development and installation of the tangible capital asset, except interest. Contributions are not netted against the cost of the related tangible asset. All tangible capital assets are capitalized in accordance with Province of Nova Scotia thresholds and are amortized over the estimated useful life of the asset. The amortization expense is recorded in the statement of operations.

Amortization of tangible capital assets is provided using the following methods and annual rate:

Asset	Basis	Rate
Service vehicles	Declining balance	35%

Prepaid expenses are cash disbursements or other transfers of economic resources for goods or services, other than tangible capital assets and inventories of supplies, of which some or all will provide economic benefits in one or more future periods. The prepaid amount is recognized as an expense in the year the good or service is used or consumed.

(g) Accumulated surplus

Accumulated surplus represents the financial assets and non-financial assets of the School Board less the financial liabilities. This represents the accumulated balance of net surplus arising from the operations of the School Board.

Year ended March 31, 2015

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(h) Scholarship trust funds under administration

The scholarship trust funds represent capital contributed in trust from which the income thereon is used to provide scholarships for eligible students. A schedule of trust funds is included in the financial statements.

(i) Use of estimates

The preparation of the financial statements requires management to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include the carrying value of capital assets, valuation of post retirement benefits and obligations, valuation allowance of accounts receivable and obligations resulting from employee contract negotiations.

(j) Financial instruments

Measurement of financial instruments

The Board initially measures its financial assets and financial liabilities at fair value.

Financial assets subsequently measured at amortized cost includes cash and cash equivalents, restricted cash and accounts receivable.

Financial liabilities subsequently measured at amortized cost includes payables and accruals and payroll related accruals.

The receivable and obligation relating to retirement service awards and sick leave are recorded based on actuarial valuation.

Investments are subsequently measured at fair market value.

Impairment

Financial assets measured at cost or amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in income. A previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is not greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in income.

2. SCHOOL-BASED FUNDS

These financial statements include funds arising from certain school and student activities that are controlled and administered locally by each school, but for which the Board is accountable. Revenues from school-based funds are recognized as the funds are received. School fund activities are recorded as funds are expended.

Changes in cash held by schools are as follows:

6. RETIREMENT SERVICE AWARDS

Teachers receive a service award upon retirement, disability, death or termination, when entitled to a vested pension, under the contracts between the Nova Scotia Teachers' Union local and the predecessor boards. The contracts prescribe the formulae used in calculating the payment as well as the period over which the payment is to be made.

Non-teaching employees are entitled to 50% of sick leave accrual upon retirement, death, resignation or termination, provided the employee has at least ten years of service or an employee with at least ten years of service on retirement, death, resignation or termination shall be entitled to \$250 for each year of service to a maximum of thirty-five years of service, whichever is greater.

The Province of Nova Scotia assumed responsibility for the payment of service awards for all qualifying School Board employees effective April 1, 2002. As a result, school boards were required to make certain entries on their financial statements beginning with the year ending March 31, 2002, to record the value of projected liabilities, as well as a corresponding receivable from the Province of Nova Scotia. These entries have been determined by the Nova Scotia Department of Finance in relation to an independent actuarial evaluation performed for them. This evaluation calculated the present value of the service awards payable for past services for the School Board to be \$8,613,277 as of March 31, 2015 (2014 - \$7,612,037) – teaching; \$744,729 as of March 31, 2015 (2014 - \$763,344) – non-teaching.

7. ACCRUED SICK LEAVE

The Board has recognized in these consolidated financial statements, the liability associated with accumulated sick leave earned by teaching and non-teaching staff. The Board has recorded a corresponding receivable from the Province of Nova Scotia which has assumed responsibility for the liability up to March 31, 2015. These entries have been determined by the Nova Scotia Department of Finance in relation to an independent actuarial evaluation performed for them.

This evaluation calculated the present value of the accumulated sick leave for past services for the School Board to be \$16,986,602 as of March 31, 2015 (2014 - \$16,045,071) – teaching; \$1,699,775 as of March 31, 2015 (2014 - \$1,694,459) – non-teaching.

9. DEFERRED TEACHERS' SALARIES

Under the terms of the teachers' contract, the School Board withholds a portion of certain eligible teachers' salaries and deposits it with the Nova Scotia Teachers' Credit Union. These amounts are subsequently withdrawn by the teachers in a year when they are on leave of absence. As at March 31, 2015, the Board had \$614,839 (2014 - \$564,675) of such funds on deposit together with a corresponding liability of \$589,427 (2014 - \$564,675) the difference which is set up as a receivable from the Nova Scotia Teachers' Credit Union as at March 31, 2015.

10. PENSION PLANS

(a) Teachers

The School Board's teachers are members of the pension plan established by the Province of Nova Scotia pursuant to the Teachers' Pension Act. The Province of Nova Scotia has accepted responsibility for funding this plan and accordingly, no provision is included in the Board's financial statements for the related pension amounts.

(b) Non-teachers

The School Board's Canadian Union of Public Employees (CUPE) staff participate in a money purchase pension plan which is accounted for by the School Board as a defined contribution plan. Employer pension costs of \$1,226,014 (2014 - \$1,206,207) are included in the statement of operations which represent the cost of employer contributions for current service of participating employees during the year. Employees and the School Board both contribute at the rate of 5% of pensionable earnings.

The School Board also contributes to an RRSP plan for its confidential non-CUPE employees. Employees and the School Board both contribute at the rate of 9% of pensionable earnings. Included in the March 31, 2015 statement of operations are employer contributions of \$81,057 (2014 - \$78,632), which represents the pension cost to the School Board.

11. INSURANCE

The School Board is a member of the School Insurance Exchange, which provides all insurance coverage, with the exception of fleet insurance, which is contracted to a private carrier.

12. RELATED PARTY TRANSACTIONS

These financial statements do not include certain expenses paid on behalf of the Board by the Province of Nova Scotia, including but not limited to:

- P-3 schools and facilities leases and operating costs, and
- Payments for the teachers' pension plans and medical premiums.

13. FINANCIAL INSTRUMENTS

The School Board is exposed to various risks through its financial instruments and includes the following significant risk at March 31, 2015.

Credit risk

The School Board's exposure to credit risk relates to accounts receivable and arises from the possibility that creditors do not fulfill their obligations. This risk is mitigated due to receivables being from various levels of government based on approved agreements.

The School Board performs continuous evaluation of its accounts receivable.

Liquidity risk

Liquidity risk is the risk that the School Board will encounter difficulty raising funds to meet its liabilities. This is mitigated through regular monitoring of cash flows.

14. COMMITMENTS

The Board has entered into agreements to lease equipment for various periods until 2018. Minimum annual lease payments are as follows:

	Equipment
2016	\$41,015
2017	16,743
2018	6,061
